■ CONCEPTION

A well thought out concept of a movie theater is the sole guarantee of a successful business

■ CONCEPTION

Kinocreativ offers services of development of functional zoning and the concept of interiors for opening a new movie theater

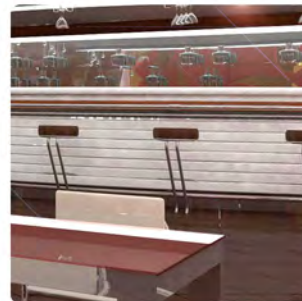

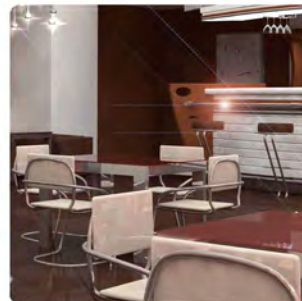

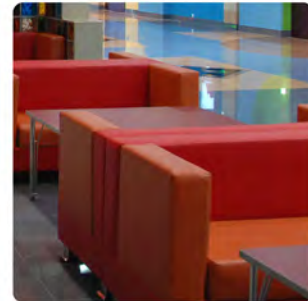

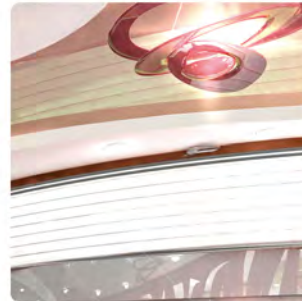

■ DESIGN

The development of your cinema design is one of the most creative stages, during which you can realize the most unusual and daring ideas, such as a cinema in the styles of Pirates of Caribbean, a western, a fantasy, a vintage or hi-tech.

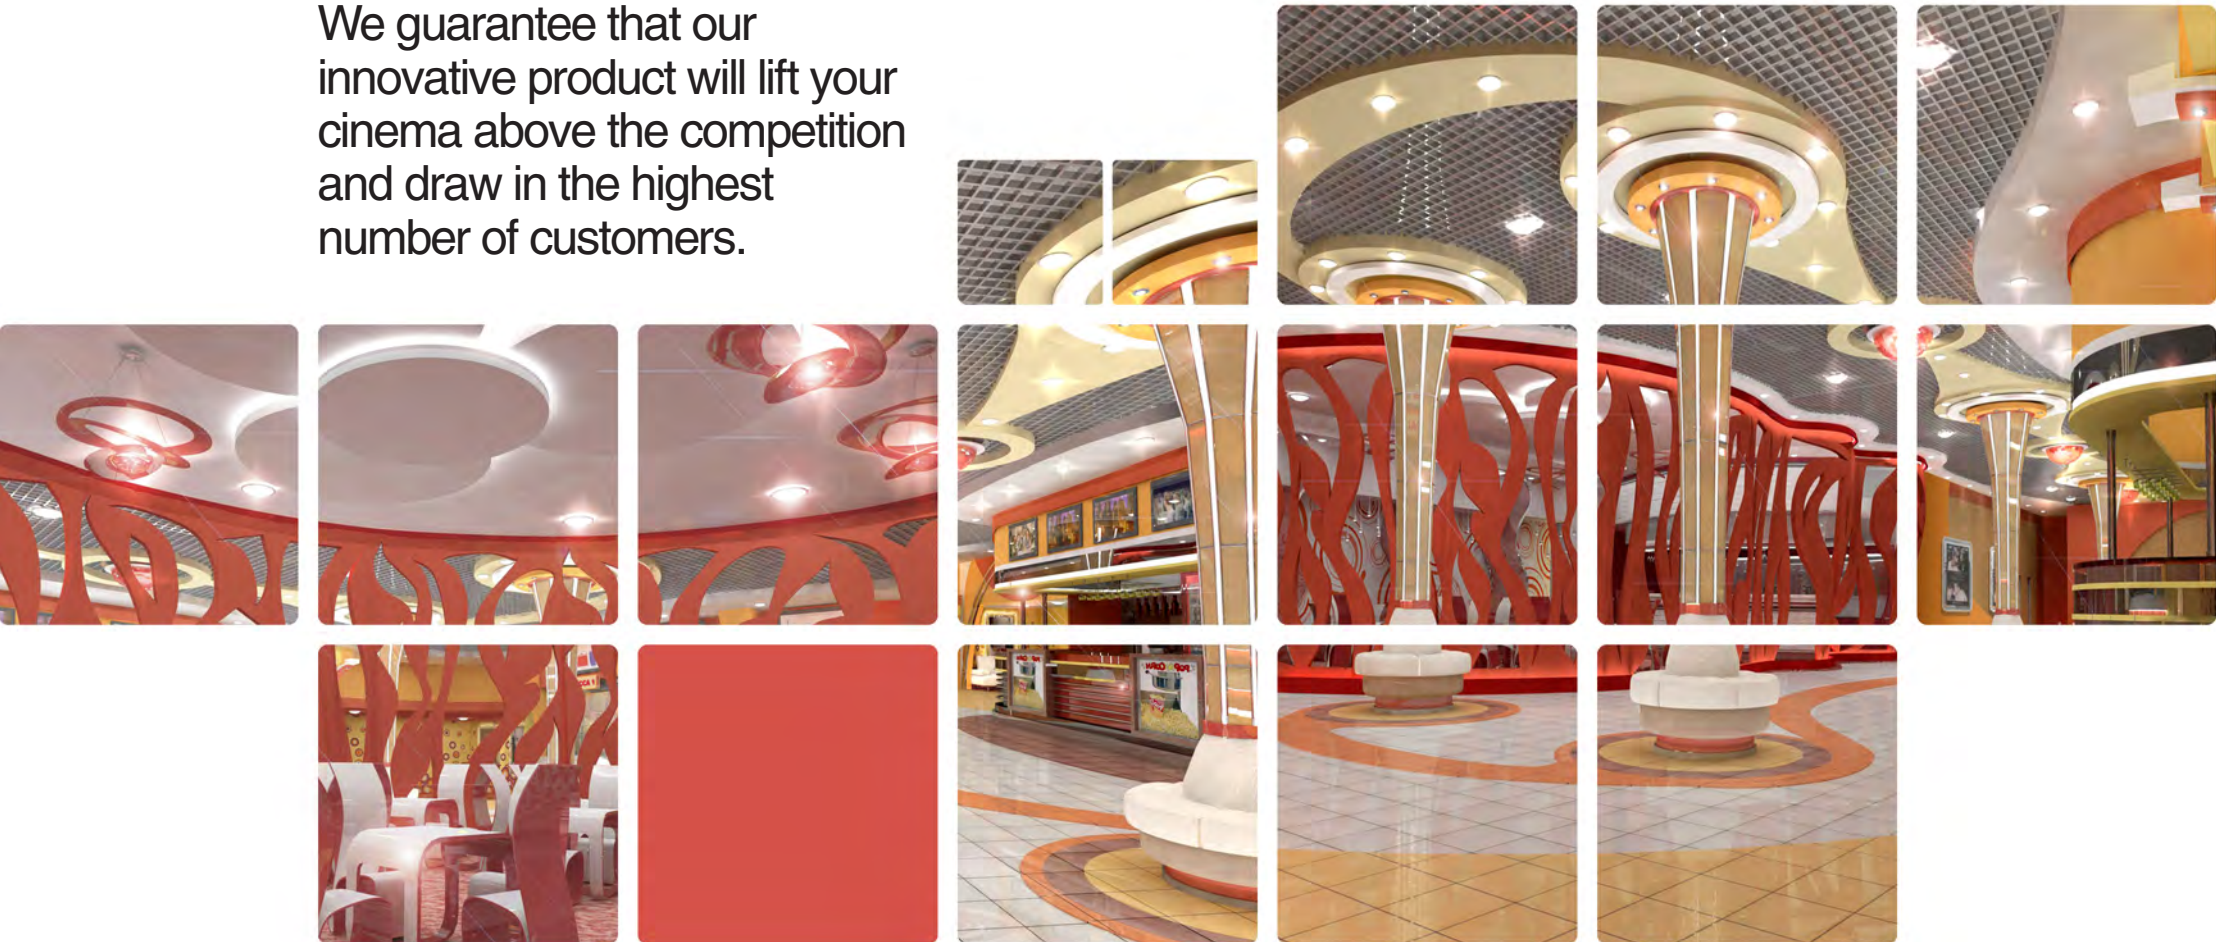

■ DESIGN

We are confident that we can create a brand-new, original design for the interiors of your cinema even with a limited budget.

■ DESIGN

We guarantee that our innovative product will lift your cinema above the competition and draw in the highest number of customers.
